SUBJECT: Annual Reports of the Animal Husbandry and Veterinary Departments.

Sir,

I am directed to say that the Livestock and Milk Committee of the Council, at its meeting held in November, 1949 desired that the annual reports of the Animal Husbandry and or Veterinary Departments which would also contain the technical programmes for the following year, be obtained for the information of members.

2. Many of the State Governments are at present supplying certain number of copies of the reports in question to the Council for inclusion in the Council's annual publication,- Agriculture and Animal Husbandry in India. For one reason or another, these are received very late after approval by Governments concerned and will not therefore serve the purpose, the members of the aforementioned committee have in view. I am, therefore, to request that, if there is no objection, the State Government may kindly direct the Directors of Animal Husbandry or Veterinary Department or corresponding Organisations to send two copies in typescript of the Annual Report of their Departments as soon as they are ready, addressed to the Secretary, Indian Council of Agricultural Research (A.H.Branch). I am to assure you that the materials in these reports will not be given publicity until the Governments concerned pass orders for their publication.

Yours faithfully,
